

Introducing the ag industry's most complete marketing insights solution!

Liberty Ag Solutions is pleased to announce we have partnered with **Ag Consulting Group** to offer our growers expert advice on when, why, where, and how to market their grain for the best return.

By signing up as a member of the Grain Insight program, you'll have access to these valuable tools:

**GRAIN
INSIGHT**

ACG'S PROPRIETARY FIELD MANAGEMENT SOFTWARE

With live profit and loss reports, expenses per acre, break even analysis per bushel, and sales tracking, **you'll have the power to maximize your profits by making the right decisions at the right time.**

REAL-TIME ACG MARKETING RECOMMENDATIONS

ACG's experts share advice you can use by looking at technicals and fundamentals for real-world advice. Noted analyst Doug Bergman provides 2x daily commentary on key fundamentals, while Dennis DeLaughter's daily videos help you identify prime selling opportunities.

Join them live every **USDA Report Day** on a invite-only Zoom call featuring live **Q&A** when you subscribe to Grain Insight. >>>

**Liberty Ag
Solutions**

LEVERAGE THE POWER OF THE PRICING DESK

Through our Pricing Desk partner, you'll have access to structured products, MPPs, and other marketing programs online.

WORRY FREE DECISION-MAKING

ACG's experts take the guesswork out of decision-making by letting you know when it's time to sell, how much to sell, and for what price via text and email.

“

I've seen ACG in action and they are at the top of their game. As a grower, you can get bite-sized, easy to understand information on the grain market without a lot of work. Plus, they have a 99+% retention rate on existing customers! How can you go wrong?

- *Jaco Van Der Westhuizen, Owner & Strategic Accounts, Liberty Ag Solutions*

”

Grain Insight is a tool we offer our growers to help increase profits. Call us, we'd like to tell you more and answer any questions.

Did you know?

Liberty Ag Solutions has programs to offset ACG costs when you buy farm inputs from us.
