

BIG NEWS!

We are now a dealer for
NACHURS®

And we are offering these Nachurs® products:

- 🌿 In-furrow Starters
- 🌿 Foliar Nutrition
- 🌿 High Potassium Additives
- 🌿 Micronutrients
- 🌿 Special Use Products
- 🌿 Microbials

**Liberty Ag
Solutions**

We're proud to partner with Nachurs®, a market leader in the manufacture and distribution of high quality liquid starter fertilizers and other fertility amendments since 1946.

Their product line is great fit for us at Liberty Ag Solutions and reflects our commitment to offering top quality products. When you purchase any of the Nachurs® products, you can also count on us to back it up with exceptional customer service!

-
- 🌿 **Triple Option** - Premium NPK Fertilizer +S
 - 🌿 **imPulse** - NPK for corn/wheat quick and uniform plant emergence
 - 🌿 **CropMax** - A premium blend of micronutrients designed for soil application at planting, seeding, or sidedress
 - 🌿 **K-Flex Max** - Allows applications of K & S during critical growth stages maximizing yield potential. Improves the efficiency of Nitrogen solutions by providing Bio-K, Sulfur and humic acid
 - 🌿 **Finish Line** - Unique micronutrient enriched premium foliar fertilizer with proprietary organic acids

Contact a member of our team and we'll show you how the Nachurs® product lineup will benefit your farming operations and increase your yields:
